HOUSTON COMMUNITY COLLEGE

Internal Audit Plan

Fiscal Year 2020

Approved by Board of Trustees August 7, 2019

Internal Audit Plan
Fiscal Year 2020

Executive Summary

The purpose of the Internal Audit Plan (Plan) is to outline audits and other activities the Houston Community College (HCC) Internal Audit Department (the Department) will conduct during fiscal year 2020. The Plan's development and approval are intended to satisfy requirements under Board Bylaws, Audit Committee Charter, Board Policy CDC (LOCAL), HCC's Internal Audit Charter, International Standards for the Professional Practice of Internal Auditing, and Texas Internal Auditing Act.

A significant amount of time will be devoted to collaborating with HCC's Risk Management Office and other control monitoring functions within HCC to further refine the Enterprise Risk Management (ERM) Assessment Program in FY 2020.

Plan Development Methodology

The HCC audit universe is developed through HCC's Enterprise Risk Management Assessment Program (ERM). The High Risk Audit Candidates are updated in Attachment I based on the assessment of the following: 1) governing board members input, 2) ERM interviews conducted with Executive Council members, College Presidents and other chief executives, 3) top risks identified by the United Educator's Risk Management Premium Credit program, 4) KPMG's 20 key risks to consider by Internal Audit 2020, and 5) alignment with HCC's strategic priorities.

Internal Audit Available Time

Total Hours (7 Staff * 52 Weeks *40 hours)	14,560	100%

Description of Project Types

Operational: These are projects in which some activity or other management assertion is evaluated so that improvements to operating efficiency and effectiveness can be made. These can also be projects in which the object is to develop new information on an activity so that management can use that information in their decision making process.

Compliance: Reviews focused on ensuring compliance with regulations and HCC policies.

Advisory Services: Consulting projects that improve management of risks, add value, and improve the organization's operations.

Administrative: These include fraud investigations, special projects requested by the Board or management, and administrative projects within the department such as performing risk assessments, preparing the next fiscal year's audit plan, performing quality assurance, and preparing the Annual Audit Report.

Observation action plan follow-ups: These are on-going status reviews on the resolution of deficiencies identified in past audits to ensure management completed action plans.

Attachment I

FY 2020
High Risk Audit Candidates

Risk Source Category	Risk Area	Risk Factors	Previous Internal & External Audit Coverage
Safety	Fire/Life and lab life safety (including code compliance)	Lab safety for academic and COE labs. Lab safety manuals, inspections, signage, Compliance, chemical inventory, inventory control, transporting and shipping, reporting, chemical storage and disposal, select agents, hazardous materials/environmental safety program, personal projective equipment, training, inspections and monitoring, liability and insurance, emergency response program. Building design, construction, fire detection/suppression systems and maintenance, building codes, insurance company requirements, best practices, building evacuation plans/signage, drills for fire/tornado/earthquake and other emergencies, annunciation/communication within building, contents combustibility, inspections and compliance reviews.	2017/2018/2019 Campus Safety & Environmental Reviews for all six colleges
Students	At-risk students	Behavioral Intervention Teams, Management of Student Misconduct, Threat identification and follow up.	19-O-1 Student Behavioral Intervention Review
Financial	Enrollment - growth, retention, contraction	Decline in enrollment, increased tuition discounting reducing income, competitive market for students increasing cost to attract students, increasing costs to support student success.	19-O-2 International Students Services Review
Students	International	USCIS policy change potentially causing out of status students to be declared as illegally present impacting reputation, increasing stress on students, potentially limiting students from future immigration.	19-O-2 International Students Services Review
Public safety	Safety	Campus safety standards, door locking (classrooms and exterior), new hire security/emergency response training, responsibility for interior routine security, staffing of remote/low utilization areas, operating hours, open campus access, student and employee badging enforcement, campus safety committees, surveillance camera standards, access, usage, and intra building communication systems.	19-S-3 Campus Security

Risk Source Category	Risk Area	Risk Factors	Previous Internal & External Audit Coverage
Governance/Institutional Management	Access and affordability	Internal and external pressure to open up admission to students who are not academically or financially prepared to enroll. Cost to attend universities rising much faster than family income; rapidly increasing college prices and stagnating family incomes have combined to reduce the affordability of college for growing segments of the population. Hurdles prevent many students, particularly minority and low-income students, from completing degrees while rising cost of tuition, social disadvantages, and lack of adequate academic preparedness have contributed to under-representation of these groups. Applications process that helps or hinder students from submitting qualifying applications. Higher education seen as national strategy to maintain competitive labor force.	19-O-2 International Students Services Review
Local, state and federal regulation	Accommodation - ADA, special needs	Section 508 (T.A.C. 213) compliance, maintenance of posted materials, training of faculty and staff on accessibility standards, 3rd party vendor compliance and monitoring, section 508 grievance process, 508 coordinator, classroom software/display/technology accessibility.	19-C-2 Web Content Accessibility Guidelines Review
Governance/Institutional Management	Culture	Board/management execute their "fiduciary duty" (legal duty to act solely in College's interests; may not profit from their relationship with the College without its express informed consent; no conflicts of interest between themselves and the College).	18-O-2 Ethics Program Review
Financial	Financial aid	Over or under award of institution-wide funding due to uncertainty of funding levels, non-compliance with federal or state regulations or restricted funds intended for aid, ineffective aid packaging process, ineffective monitoring of non-institutional aid, inaccurate information on the Free Application for Federal Student Aid (FAFSA), Violation of Federal Work Study regulations, failure to maximize available funds, failure to manage default rate, awards to ineligible students, administrative burden in financial aid assessments.	National Association of Student Financial Aid Administrators Peer Review
Financial	Litigation management	Oversight of legal cases, cost-effective legal representation, reserve setting, settlement consideration and approval.	none

Risk Source Category	Risk Area	Risk Factors	Previous Internal & External Audit Coverage
Community	Policing	Arrest authority, coordination between College and local police, training (diversity, crowd control), oversight and external review, undercover work, campus versus community policing, prisoner control, confiscated property control, community outreach and education, timely and appropriate call response, adequate staff, "blue phones," incident reporting, statistics capture and reporting, communication and communication media.	17-4 Campus Safety and Security - Title IX/Clery/VAWA Regulatory Acts Compliance
Safety	Training	Required training (both legally required and by policy), liability for failure to train, record keeping, compliance, cost effectiveness of delivery.	2017/2018/2019 Campus Safety & Environmental Reviews; 17-3 IT Cyber and Data Security; 17-4 Campus Safety and Security - Title IX/Clery/VAWA Regulatory Acts Compliance; 18-O-1 SACSCOC Accreditation; 18-O-2 Ethics Program Review
Financial	Tuition (caps, declining)	Internal and external pressure to open up admission to students who are not financially prepared to enroll. Pressure to avoid raising tuition or increase tuition discounts while costs are rising. Caps on permitted tuition increases. Declining enrollment. Change in student demographics requiring increased tuition discounting/financial aid. Political proposals to require "free tuition."	19-O-2 International Students Services Review
Students	At-risk students	Mental Health (MH) treatment service availability gap between need and availability. Licensed MH professionals but no formal MH services.	19-O-1 Student Behavioral Intervention Review
Students	Code of conduct	Awareness of code and its provisions, fair/well-understood disciplinary procedures; capable student judicial affairs staff, liability for failure. Conflict between code of conduct and perceived student rights (Title IX/student protest). Prevalence of persons/companies willing to cheat for students. Inadequate controls against use of technology to cheat.	19-O-1 Student Behavioral Intervention Review & 18-O-1 SACSCOC Accreditation
Governance/Institutional Management	Competency based education	Strategy recognizes growing demand for competency based education and training resulting concrete skills rather than abstract learning, appeal of graduates to employer.	none

Risk Source Category	Risk Area	Risk Factors	Previous Internal & External Audit Coverage
