A MESSAGE FROM THE BOARD CHAIR

Dear Graduates,

Along with my colleagues on the Houston Community College Board of Trustees, I congratulate you on a job well done! Your amazing commitment and persistence in achieving your goals during a difficult time has paid off.

We also wish to salute your family and friends who provided support and encouragement during your studies. Their contributions cannot be underestimated in helping to make this day possible for you.

The highest priority of HCC is the success of our students. To that end, the Board and administration have worked together to ensure that your time at HCC was inspiring and rewarding. We are proud of our outstanding faculty, streamlined processes, modern and inviting facilities, low tuition and the student resources to help you succeed. We encourage you to keep learning and to build on what you have studied. Remember that HCC continues to be ready to provide additional support along your journey!

Again, congratulations on your accomplishment today. We wish you all the best in the days and years to come.

A MESSAGE FROM THE CHANCELLOR

Dear Graduates,

It is with great pride that I congratulate each of you on your milestone achievement from Houston Community College (HCC).

Graduation marks the successful completion of a course of study. It opens the door to new beginnings filled with opportunity and promise for an exciting and rewarding future. It is a time of reflection on all things that bring you to this moment – energy, perseverance, friends and family and sheer hard work. You are indeed deserving of this moment, particularly in light of all the adversity you experienced during the pandemic.

You are now ready to take the next step — perhaps into the workforce or a higher level of study. Whatever you decide, you now possess the tools to succeed.

HCC is proud of the role we play in preparing our students to meet the opportunities of tomorrow. As you embark upon your new journey, know that no challenge exceeds your capacity to overcome and excel.

My administration, faculty and staff understand the importance of this celebration and convey our best wishes for your future success. We are grateful that you brought your career aspirations to HCC and trust that your experience as a student has been both enriching and rewarding.

Wherever life takes you, know that HCC is here to support you. As you embark upon your life's journey, consider the words of Benjamin Franklin who reminds us that “an investment in knowledge always pays the best interest.” You have earned your best interest today and we salute you on your achievement.

Congratulations!

Sincerely,

A handwritten signature in black ink that reads "Cesar Maldonado". The signature is fluid and cursive.

CEREMONIAL MACE

The Mace for Houston Community College, a gift from a dedicated member of the HCC faculty, Dr. Bill Young, leads the academic procession at commencement ceremonies. Historically, the use of the Mace dates back to the Middle Ages and was carried before or placed near a magistrate or other dignitary as an ensign of their authority. The Mace is made of oak and rare metals and depicts the unity among the various regional colleges that comprise Houston Community College.

ALWAYS GRATEFUL

Houston Community College Alma Mater

All hail our alma mater

All hail to HCC

Where we soar with the eagles

Strong in unity

To Houston Community College

To friends and teachers true

We will always be grateful

When we think of you

And when we pass your portal

To our new communities

We will not forget our journey

Robed in victory

Farewell our alma mater

To friends and teachers true

We will always be grateful

When we think of you

ACADEMIC REGALIA

The origins of academic regalia date back to the 12th and 13th centuries, when universities were taking form. The first gowns were patterned after the dress of the cleric and were believed to be a necessity for warmth in unheated buildings. Hoods were designed to serve as cover for the tonsured head. Caps were not used at that time. It wasn't until late 19th century that colors were assigned to signify degrees. The color used should be indicative of the subject to which the degree pertains. For example, the velvet for the degree of Master of Science in Education should be light blue, representing education, rather than gold, representing science. No academic hood should ever represent more than a single degree. In the case of the Ph.D. degree, the dark blue color is used to represent the mastery of the discipline of learning and scholarship in any field that is attested to be the awarding of this degree and is not intended to represent the field of philosophy.

For all academic purposes, the colors associated with the different disciplines are as follows:

Accountancy	Drab	Home Economics	Maize
Agriculture	Maize	Horticulture	White
Anthropology	Gold	Humanities	Crimson
Architecture	Blue-Violet	Journalism	Purple
Arts	White	Jurisprudence	Purple
Auditor	Rhodes-Blue	Law	White
Biochemistry	Gold	Letters	Lemon
Business Administration	Drab	Library Science	White
Chiropractic	Grey	Literature	Hunter Green
City Planning	Blue-Violet	Medicine	Pink

Communication	Crimson	Oratory (Speech)	Seafoam
Counseling & Guidance	Lt Blue	Pharmacy	Olive Green
Dentistry	Lilac	Philosophy	Ph.D. Blue
Divinity	Scarlet	Physical Education	Sage Green
Dramatic Arts	Brown	Physical Therapy	Teal
Early College Graduates	Double Blue	Public Administration	Peacock Blue

Fine Arts	Brown	Speech	Silver
